## BRYC Elite Academy Fees

[2017-2018](#)

BRYC Elite Academy fees are intended to cover the costs of participating in travel soccer for a full seasonal year, without the need to pay additionally for incremental off season programs. Our fees are divided into Club fees and Team fees. Costs vary based on age group and level. The player's commitment is for a full seasonal year; families are expected to participate in and pay for this year-round program. The 2017 - 2018 BRYC Elite Academy Club Fees are as follows:
