SOCA CHARLOTTESVILLE PREMIER TRAVEL PROGRAM

The mission of the Premier travel program is to provide a training and game developmental setting preparing players for advanced development. Player development takes place through elevated commitment and competition.

Premier teams represent the highest level of travel competition within Skyline Club Soccer League. SOCA-Charlottesville Premier teams are based in the Charlottesville region. Premier teams not only offer a path to advancement to the SOCA-Elite program but also a destination for those players interested in a more regional travel program offering.
