A Player's Good Standing Policy

A player's good standing refers to their eligibility to participate in training and/or games with FCSC United. A player is automatically placed in Good Standing upon acceptance into the program. A healthy work-rate, positive attitude, and a strong commitment to the team and their own self-improvement, are all characteristics of a successful athlete that will keep players in good standing.

Here are some examples of what could take a player out of good standing.

Poor Attendance	Disrespect	Abusive Language
Ejections	Negative public criticism	Dangerous Play
Unsportsmanlike conduct	Unfulfilled Financial Obligations
