Elite Player Pathway Program

CSC and Virginia Soccer Association (VSA) have established an exciting partnership to provide an elite pathway program to selected CSC Travel players.

Establish College Preparation Program Pathway for CSC players

- Access to VSA college prep program and evenings
- Access to VSA college prep resources
- Access to VSA college identification nights (20 colleges visit club during the winter)

Establish CSC player development opportunities at the next level

- Continue the VSA and USSDA mission of identifying players with truly elite potential whose development would be best served playing in an elite environment.
- Build a working relationship with CSC to accomplish the VSA and USSDA mission of growing the game and providing more opportunities for youth players.
- Provide training opportunities at Technical Director's approval for Elite level players (Elite - Defined as National/College Level).
- Provide playing opportunities to college level players at showcase events.
- CSC would recommend CSC players seeking further playing opportunities (NPL/USSDA) to VSA.
- Provide avenue for Culpeper based children to play at the national, professional, and college level.
