Frequently Asked Questions

WHAT DOES IT COST TO PARTICIPATE?

*If the team did no fundraising or it did not receive any sponsorship it would cost each player approximately \$175 to \$200 for each season. This is **only** an **estimate** and again it may go **down** as the teams fundraise and secure sponsors. Each team determines their own player's fees.*

WHAT DOES THIS FEE COVER?

League fees, uniforms, entry fee to one tournament per season, field supplies, and equipment. It Does Not cover hotel stay for tournament or your travel expense for getting your player to the away games. Most away games are within a two hour driving time and should not require an over night stay.

HOW MANY GAMES DO YOU PLAY?

We play 8 games each season. We have 4 home games that are played at Lacey Springs Elementary School and 4 away games that are played in and around the Northern Virginia area. Most teams attend at least one tournament each season.

HOW OFTEN DO YOU PRACTICE?

Practice is held two days a week for two hours. Each team will decide their own practice schedule and location

WHO IS ELIGIBLE TO TRY OUT?

Our goal is to continually grow our club.

if your questions were not answered here, please feel free to call our Club Contact, John Guengerich at 540 435-9449.

FAQ for Team Managers

What Happens if Our Game Field is Not Playable? What Do I Do?

If your club closes its fields you must

**Contact your opponent immediately, allowing adequate time for them to contact team members before they begin traveling to your field.*

**On your team page you can click on the name of your opponent to go to their team page and find contact information.*

**Make sure that someone from your club has contacted the referee assignor. Number for your referee assignor can be found on your club page.*

You then have 72 hours to attempt to reschedule the match according to a schedule agreeable to you and the other coach. To do so, you should:

****Contact your field representative** (info on the club page) and see what your options are for available dates, fields, and time.*

**Get agreement from the other coach.*

Notify the League Administrator. Be sure to include the official ODSL Match Number, the date, time, and field for the rescheduled match. **Please don't send an email until you have complete information. Send your email to administrator@odsl.org.*

The league administrator will change the schedule and website, and send an email notification to all team personnel involved as well as the referee assignor, when the change is official. If you fail to get this accomplished in 72 hours, the league administrator reserves the right to step in at

anytime after that and reschedule the match as seen fit without your involvement. Once rescheduled, the changes are final.
