

Augusta Premier Travel

The mission of the premier travel program is to provide a training and game developmental setting preparing players for advancement to SOCA-Elite Travel program. Player development takes place through elevated commitment and competition.

Premier teams represent the highest level of travel competition within Skyline Club Soccer League. SOCA-Augusta Premier teams are based out of Augusta County and typically play home games at Ridgeview Park. Premier teams not only offer a path to advancement to the SOCA-Elite program but also a destination for those players interested in a more regional travel program offering.
