WYSC's Travel Soccer Program Offers Competitive Teams in Top Regional Leagues

Since Warrenton Youth Sports Club was originally founded in 1999, the growth of a competitive and cost-effective travel soccer program has been a top priority. Over the past several years, Warrenton Youth Sports Club's travel program has achieved that original goal with boys and girls teams competing in the Old Dominion Soccer League (ODSL) and National Capital Soccer League (NCSL). WYSC travel program continues to grow, with the introduction of professional coaches/trainers, our travel program quality and performance continues to improve becoming more competitive.

Program Runs year- round

Our travel soccer program starts in July and runs through to mid-June of the following summer. We then divide that year into four seasons:

- Fall season practices start in August, with last games and/or tournaments of the season ending in Mid-November.
- Winter training.
- Spring season practices start in March, with last games and/or tournaments of the season ending in mid-June.
- Summer - training.

Travel Program Tryouts Held Each Spring.

Regardless of your current playing experience or team/club affiliation, we offer a range of options for boys and girls from U9 through U18 and encourage all players who are interested in competing at a higher level to attend the tryouts.

How Competitive is WYSC's Travel Program?

The travel program at WYSC has consistently performed well competitively against other clubs in the region and we are excited to add several new divisions to the program for the 2016/2017 seasons. To help continue this success, WYSC is bringing on new and highly trained coaches for the upcoming Fall/Spring season.

How Much Does WYSC's Travel Program Cost?

In keeping with our goal of delivering a flexible and affordable soccer experience for players of all skill levels, WYSC has worked diligently to keep the cost of our travel program low compared to those of other area clubs. Travel program fees information is available on the "**Travel Soccer**" pages under "**Policies**" select "**Player Registration**". WYSC's travel fees covers all uniforms, professional training, coaching, field use fees as well as three tournaments.

Scholarship Opportunities are Available

As with all other sports offered by WYSC, scholarships are available for players in financial need. Contact club director Raul Heras via email at director@wysc.org if you would like to have additional information regarding scholarships. WYSC wants to make sure all players interested in participating can participate regardless of financial constraints.

Interested in Coaching a Travel Soccer Team?

There are head coach and assistant coach positions open within our travel program. There are also opportunities for advancement. Coaches can work their way from being an assistant coach, to a head coach, or towards a member of the club's technical staff.

Most coaches in our travel program are eligible to receive a coaching stipend each season. The stipend is dependent upon qualifications and experience. For more details, please send us an email expressing your interest and a short writeup on your soccer background. We will contact you shortly after receiving the email.

Interested coaches send email to club director, Raul Heras at director@wysc.org or call 540-326-5624.
